Health and Safety Instructions for Hamilton City Netball Centre

In the event of an emergency, the Event Manager and/or a HCNC Staff Member will announce over the speaker for everyone to stop what they're doing and calmly walk to the Assembly points. These are on Court 18 & 19. In the event of a fire, the fire alarms will go off and everyone should calmly proceed to the Assembly points through the above Emergency Exits.

There are **five** emergency exit doors in the building which will lead to the Assembly points.

- The **first** exit is in the HCNC office. Exit through the door and down the ramp or steps towards Court 18 & 19.
- The **second** exit is inside the main hall. Exit through the door and down the ramp or steps towards Court 18 & 19.
- The **third** exit is beside the cafeteria inside the building. Exit through the door and turn right, towards the Courts. Walk down the ramp or steps towards 18 & 19.
- The **fourth** exit is in the umpire's room which is connected to the main hall. Exit through the door and walk around the building to your right. Walk towards the Courts and down the ramp or steps towards Court 18 & 19.
- The **fifth** exit is next to the registration office. Exit through the door and turn right, towards the Courts. Walk down the ramp or steps towards Court 18 & 19.

There will be a HCNC Staff member or HCNC Volunteer at each of the assembly points. It is the responsibility of the Team Manager to check for their own personnel – any absences should be reported immediately to the HCNC Staff member/HCNC Volunteer. If you are on the courts or grass verge during the event of an emergency, please calmly make your way towards the Assembly Points on Court 5 and 18. DO NOT enter the building. If there are any health concerns whilst at the assembly point, let the HCNC Staff member/HCNC Volunteer know immediately, and they will call 111. HCNC has a defibrillator located in the main hall if required.

Responding to an Incident

- Minor incidents will be treated on site with the Team Manager/Physio/Netball Smart. Ice will be available from HCNC First Aid room. In the unlikely event of a serious injury, the Team Manager in consultation with the Event Manager/or another suitably qualified person will assess the patient, call an Ambulance, keep the patient calm and reassured, treat any symptoms, and continually monitor until help arrives. An incident form will be completed after the event and the incident will be investigated with a report and given to the Event manager.
